The logo consists of a large, stylized, yellow graphic element resembling a three-bladed helicopter rotor or a three-pointed star with rounded sides. It is set against a black background. Below this graphic, the word "BLACKHAWK" is written in a bold, yellow, sans-serif font, enclosed within a thin yellow rectangular border.

DEDICATION

We, the senior class of nineteen hundred and eighty-three, do hereby dedicate this yearbook
to:

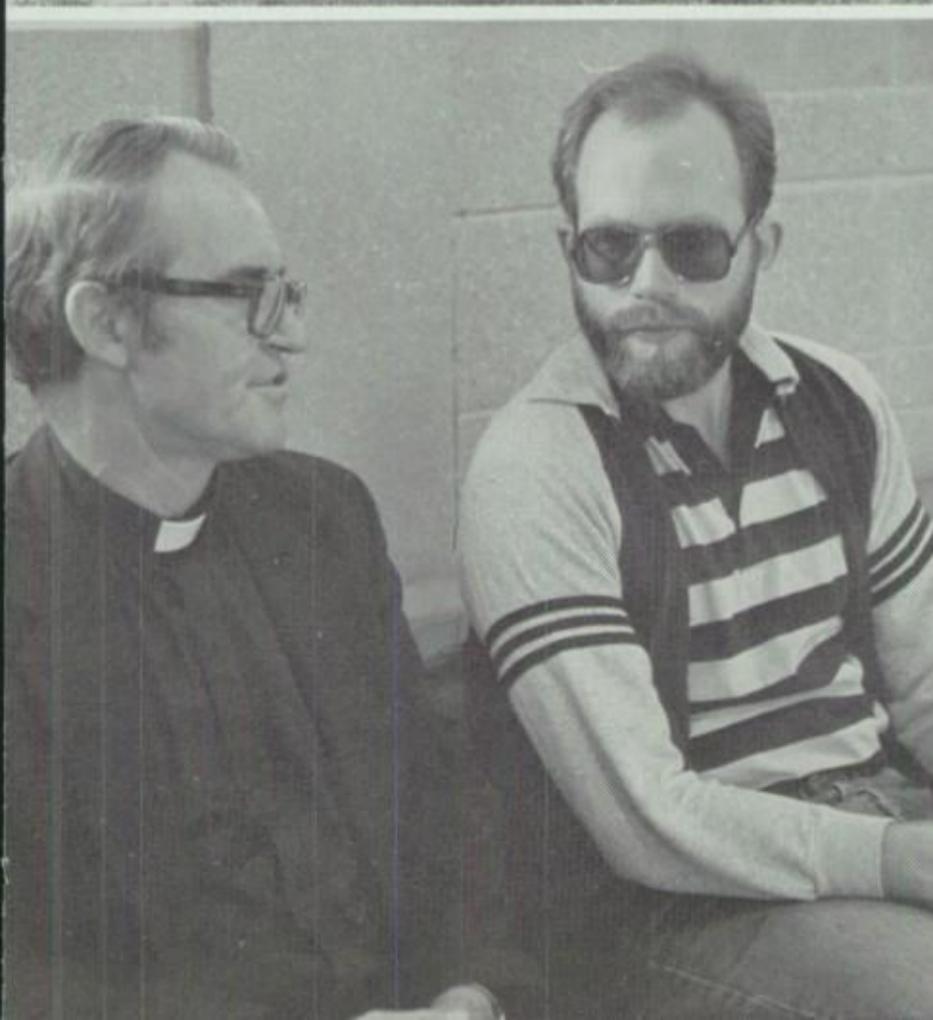

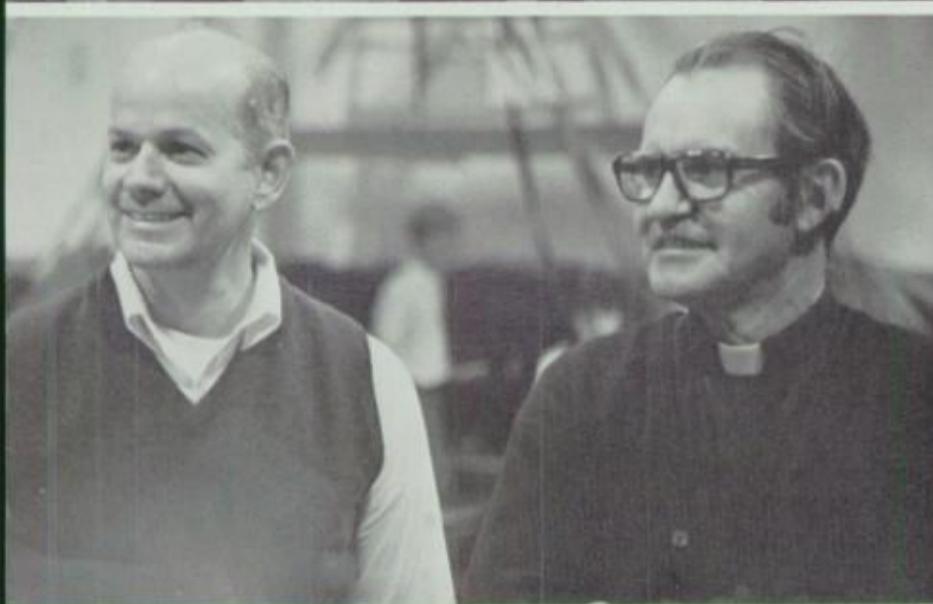

Reverend Glennon Edward Figge, C.M.

In his twenty seven years of service to the church as a priest, he has served the Archdiocese of Saint Louis as an Instructor of young men in Archdiocesan seminaries. In addition, he has also served Prep South as its B-Basketball Coach, and its Varsity Baseball Coach. We now wish Father Glen Figge the best of luck as he takes his new job in Albuquerque, New Mexico. His love and dedication to Prep South and its students will never be forgotten.

Father John Borcic's Last Words To Us As He Becomes Principal At Valle High School In Ste. Genevieve, Missouri

"I came to Prep South in February 1976, while still a Deacon at Kenrick Seiminary. At that time, I taught World History and Contemporary Civilizations. After Ordination in May 1976, I served as an Associate Pastor at Epiphany of Our Lord Parish and continued to teach part-time at Prep. I taught History for a few more years until the departure of Father John Gagnepain, C.M., left an opening in the Science Department. These last few years, I have taught General Biology and Human Anatomy and Physiology. As an alumnus of Prep South (class of '63), I was honored at being asked to teach at my own alma mater. Some of my teachers were still on the faculty and I could see that they, along with the other members of the faculty and staff were dedicated, professional, men and women. Their encouragement, support, and good-nature teasing made me feel welcome in their midst. I can't help but feel that each person I knew at Prep somehow contributed to my own growth as a priest. My prayer is that all the young men I got to know grow to be good Catholic Christian men; a little more aware of the life God has given them and appreciative of all His gifts. And those who persevere to the priesthood, I pray that God blesses them abundantly in their work as he has blessed me and that they in turn, might help others grow in their love of God and neighbor."

Good Luck And Farewell To Father Mark Etling As He Leaves To Pursue His Post-Graduate Studies

Although Father Mark Etling was only with us for one year, he was able to bring the Junior and Senior classes to a better understanding of God and religion. Always quick with a smile and a "Hello," he is a friendly and outgoing man of great athletic ability, who enjoyed playing basketball and softball with the students and faculty in his spare time. His interest in the students here led him to take part in most everything that went on here at Prep. As he said, "Although I was only at Prep for one year, I am still very happy to have been a part of this school. I want to express my thanks and appreciation to both the students and faculty. I leave the school with many happy memories." We thank you, Father Mark Etling, for your youthful enthusiasm this past year at Prep South.
